

File Edit View

```
:- dynamic known/1.  
% Initial knowledge  
start :- assert(known(a)), assert(known(b)), infer.  
% Rule  
infer :- known(a), known(b), \+ known(c), assert(known(c)), write('Inferred c'), nl.
```

A screenshot of the SWI-Prolog console window. The window has a title bar that says "SWI-Prolog console". Below the title bar is a menu bar with the following items: File, Settings, Tools, Debug, and Help. The main area of the window is black with white text. It displays a welcome message, a disclaimer, and instructions on how to use the console. It also shows two successful Prolog queries and their results.

```
SWI-Prolog console
